

Safer Neighbourhoods News

Welcome to October's newsletter

The last two weeks have been one of our busiest times of the year. Autumn Nights encompasses Halloween and Bonfire Night where historically we see a rise in anti-social behaviour. The Neighbourhood teams have been out on patrol in key areas to combat this.

As the early dark nights draw in, it may be worth investing in plug timers or smart bulbs for your lights to come on before you get home. In the lead up to Christmas when Burglaries can increase it is worth reviewing your home security. Please contact your local Neighbourhood Team if you require crime prevention advice. As winter sets in, please look out for your neighbours especially if they are elderly or vulnerable and if you notice anything suspicious please do not hesitate to call us.
